Dear uncle sam, i will miss your smile and nice memories of us together. I am sad i didnt get to see before you passed. I will think back in that say you took me to the beach to talk. All i remember is a dr pepper, an oatmeal cream filled cookie and your smile. You had a great smile. And it will remind that with everything that is going, just to remember to smile no matter the circumstances, because you never know whose day you could brighten up with a smile. I will remember your bright smile that day. And when i do i will smile too. Love you. Goodbye uncle sam
