Tyler you were a precious young man loved by so many. I had not seen you in a long time and I met up with you and your dad to bring Kalynn to meet ya'll and you hugged me and still called me Nana and that made me feel so good and I think of it today and smile. You were the most precious little boy and grew into a fine young man. Many heart's were broken when the Lord called you home. You will be truly missed by all who know you and love you. I love you and may you Rest In Peace always. My Sincerest Sympathy to all the family and friend's.
