My heart and prayers goes out to the family. I wish I knew she lived so close to me. We were great friends my senior year in high school, and she was a sophmore. We had lots of fun that year. I have never forgotten her and when a certain song comes on, I always think of Margo. She was always tons of fun. I will always remember her.Patti Compton Benefield

My condolences! I remember Margo so well from our childhoods. First met in church where our families were active. Saw her off on on in town for many years. No matter what she had been thru (and there was a lot), Margo was always positive and had a smile. Her light burns on!!
