I will miss my buddy/brother-in-law. Since we were two of the in-laws in the family we formed a bond and laughed a lot about it. He was such a sweet, caring man with a witty personality and his dimple showed when he smiled. He loved the Lord, his family and his country. We had many fun and enjoyable trips, cruises and family gatherings over the years. We love you girls, Laura and Lisa and know the loss you are feeling.

I worked with Bob for many years at Kinsel Industries. He was a tremendous help to me as we worked closely together on equipment logistics and safety. I remember Bob as a dedicated employee who never met a challenge he wouldn't take on. He was always a "go getter" and positive all the time. I am sorry to hear of Bob's passing and know that he will be dearly missed by many including me.

Bob was truly one of a kind. He was very devoted to his family, and a wonderful friend to all. That is evident by all of the work Bob gave to the communities he lived in. He gave of his time and heart to so many causes. I loved Bob's zany sense of humor. He was very funny and had a dry wit and he always got in the last word. Lisa and Laura: you girls are in my thoughts and prayers. I love you!!!

I knew Bob from the age of ten years old as we grew up together playing sports in the park behind his home in Pasadena. As we grew older and into high school little did I know he had a crush on my sister Nell. And as the years passed he became a member of our family when he and Nell married. As time went on he got into the magazine business and found me a job in the business and we worked together for many years. Our families had great times together and he will be dearly missed.
