Diane and Doyle have always been wonderful neighbors. When the hurricane left us with no electricity, Diane insisted I come over to get refreshed in their trailer. She had a kind and thoughtful heart and the neighborhood will not be the same without her.

This is still a shock to all of us. I have worked with Diane for the past 7 years and she was always a joy to be around. She will definitely be missed by me and all who worked with her..I could always count on Diane to do her best and to definitely let me know how she felt about various duties or changes. I will always appreciate her honesty and her sense of humor. She could always make you laugh when she knew you needed it. She has touched so many lives and I can not think of how the office is going to be without her. She will always be in our hearts. My deepest sympathy to her family and friends.

We are in a state of shock, to never be able to talk to Diane again is unbelievable. She was always so full of life. Had the biggest laugh and the biggest hug of anyone I ever met. We will always have wonderful memories of having Joshie in Daycare, Diane helping Amanda get into A&M, Us playing cards to late at night with Diane and Doyle while Jenny and Josh sleeping on the couch, going to the oldies concerts with all the girls, hanging out in the yard, and so many other things that are too many to name. She would scold my girls when they needed it and love them when needed it. We will forever have her in our hearts. We love you Diane and Doyle and Josh. Debbie, George, Amanda, Heather and Jenny
