Bud, you will always be my brother and I will miss you more than words can say. Life is not fair but it is just not right that you have been taken away from us like this. You will be so happy in your new home and one day I will see you again. Watch down on MOM, she is having a hard time letting her "Sunshine" go. Your brother Dalton said "besides my Dad, Bud is the best friend I have". RIP love you!

Casey I'm sorry seems so hollow, but, I don't know what else to say. You and Brandi were together so much growing up that you became such a big part of our family. My family hurts so badly for you and I would love to take your pain away. Since that isn't possible just know that you are loved by many people and we will all be here for you. Your dad is watching over you and would want you to take care of yourself. Love you like my own. Lynn
