As your first born I experienced the struggle and difficulties our large family went through. I can clearly remember our constant move in different houses in Pasay City, Quezon City and Bicol, particularly while Papang was pursuing his college education. These challenges inspired all of us to overcome our poverty. Because of your guidance and Papang's strict discipline everyone of us is blessed with a successful life and good family. Thank you Mamang and Papang for all your sacrifice and advice. I am sure that where ever you are, you will still look after us. Love, Roger, Lita, and clan

My gratitude to God and Mamang will always be in my heart forever. The education that she bequeathed me and my sister served as a guide & direction in all aspects of my life. Consequently, I was able to formulate a topic for my future "Dissertation". To My Beloved Mamang who inspired and motivated me for the rest of my life: **"\*\*EUCHARISTIO\*\*"** (I Thank You)!!
