To the Galvan family and friends, Just wanted to express my deepest sympathies to you all. Mrs Galvan was a gem and great to be around. We met in treatment. I don't know many things for sure, but I know she loved you all, God, and her St. Mary's church. Life is so precious. So continue to live and go through life knowing that you now have a beautiful angel there always. May God bless and keep you all in His perfect peace.. Sincerely, Erika

Sometimes, there are no words to express the deep hurt a heart must endure. My heartfelt sympathies to the whole family, while wishing you all the peace and support you need during this difficult time. I loved Triene and am honored to have known her and grow up next to her. I appreciate what a hard worker she was and all she did for her children, especially when they were very young. I will always remember her gifting our family with tamales every year. She was always very kind to me and my family. We will miss her dearly.

I was so sorry to hear that Triene had died over the weekend. I attend St. Mary's Catholic Church and she and I shared the sunday bulletins and we always sat together at Bingo. But mostly she and I were Dialysis buddies and she sat in the chair across from me. We have been going for the same length of time. I asked her last Friday to bring me a bulletin because I was going to East Texas. She was so sweet and always had a smile for everyone. I knew her blood pressure was very high. Her nurse Marila told me this morning about her passing. She had been crying all day Sunday she told me. \I feel so sorry for her family. She was a devoted Catholic and I admired her for that. My prayers to your family. I can't be at the funeral because I will be at Dialysis at that time. God Bless her in heaven. Karen Golf My sister-in-law Barbara Zezula Bily lived in Runge and she and her husband had the White Auto Store. Small world.
