To our dear Lauritzens, I am sending my favorite poem about The Mystery by Donna Miesbach. I dwell in the Mystery of the Great unknown Fluid, beautiful, and free. I dance with the wind And relish each breath Ecstatic each day Just to be. I sing with the joy Of the planets and stars, I laugh with the waves And the sea, For I am the spirit Forever unfolding Unbounded, eternal And free. And so it goes with with our dear Ib on his forever journey! Love, Shirley and Raymond too!
