Inga and the rest of the family....I was so sorry to learn of this when we turned phones back on today when we arrived home to Galveston.Miss Anna will always hold a special place in my heart and memories. Enjoyed those years of working with her. Will always remember her love for my Michael and now they are together again. It was always so amazing how when she fixed peas and carrots for lunch at Beacon Michael's spoon full never seems to have any peas. The same as when he decided that he didn't like bananas that his bananas pudding was always just the custard and cookies. I know that you all will miss her but so will a lot of others. Even not seeing her we knew that she was there. Love to all, Glenda

Ms. Anna was everyone's grandma at Beacon. I remember her voice and the smell of her kitchen, even after 30 years. I am so sad to hear of her passing. I know for others as well as myself, she will live on forever in our hearts because she touched all of us there.

Inge and family, I am so sorry for your loss. Your mom was a special person and I used to love to see both her and your Dad in the grocery store. I know he was thrilled when she joined him in God's presence. Our prayers are with you and your family.
