Cynthia Schuelke

AUG 2, 2012

Cynthia Schuelke, 64, of Pearland, Texas, went to be with her Lord and Savior on August 1, 2012, surrounded by her loving family. Long before Cynthia was diagnosed with Multiple Myeloma, she was a Ground Angel for Angel Flight, an organization that furnishes transportation from the airport to the hospital for cancer victims and their families. Cynthia's status has now changed from Ground Angel to Heavenly Angel.

Cynthia was born on February 10, 1948, in Corpus Christi, Texas, to Beryl and Willis Warren, both of whom preceded her in death. She is survived by her husband Royce Schuelke, her daughter Lisa Cudd, and grandchildren Cameron and Emily Cudd. She is also survived by her siblings Areta and J.B. Graham of Winder, Georgia; Barbara Fank of Trinity, Doris and Marshall Sharp of Lake Palestine, Jerry and Shelia Warren of San Antonio, and Mike and Renee Warren of Bloomington, Illinois. Cynthia loved Royce's family and is also survived by his children Terry and Jamie Schuelke; Greg and Amy Schuelke, and Rick and Kim Kiesling, and their children, as well as Royce's brother Lee Schuelke and his wife Velda, and sister Joyce "Susie" Roach and her husband Wesley; grandchildren Erin, Britney, Ellyn and Reagan Schuelke; Caley, Kristyn, Caden and Kouper Kiesling.

She followed in the footsteps of her mother to become an elementary school teacher, receiving her baccalaureate degree from Oklahoma College of Liberal Arts. Later she earned a master's degree in Multicultural Studies from the University of Houston and became a certified school counselor. After teaching in several school districts, Cynthia spent almost 25 years teaching in Pearland ISD. She then became a high school counselor at Alvin ISD until her retirement in 2005.

Cynthia overcame many challenges in her life having been crippled from Polio as a young child. She spent a year away from her family at the Elks Crippled Children's Warm Springs Foundation in Gonzales, Texas, when she was 3 years old. But nothing could take the joy away from Cynthia. She was an active member of the First United Methodist Church in Pearland, where she had

Cynthia was such a fabulous woman. I loved her and her love for her family, art, teaching and all that mattered. I decorated her and Ross's Christmas tree every year. Oh how she loved Christmas and all the beautiful ornaments that her family and friends had given her. I will miss her so! Ross God Bless you and your family.

Cynthia was a wonderful teacher. She waged the war of teaching my son, Matthew Miles. While he was a student of hers, Cynthia's mother died and my Matt sent her a sympathy card. She was so impressed and every time she saw me she would always tell me how special that was. We loved her. She was such a good sport after diagnosis. I took food (I do not cook and when I do, it is rather Yuk). She was always gracious about my cooking. We will so miss her. Judy Zavalla and Matthew Miles

As much as we love Doris and Marshal is how sad we are for the loss of such an amazing sister. Mike and I were never blessed to have met Cynthia but through the hilarious stories we heard, we feel like we knew her. Guys, we will pray for a speedy healing for you and your family even though you will always miss her. I know you would never called her back from her heavenly home even if you could. We are comforted to know that her she is where she where she deserves to be.

I was so sorry to read about Cynthia's passing. We were pleased to work with her when the kitchen granite was installed. If my memory serves me correctly, I believe it was her daughter who had some CA challenges at that time. What a lovely person and a joy to work with. May you enjoy many happy memories of your time with Cynthia. Norma L. O'Donnell O'Donnell Interior Improvements Kingwood.

Cynthia & I joined Houston Ground Angels near it's inception in 2001.As Mission Coordinator and later as President of HGA, I remember the many times that CeCe drove cancer patients to or from Houston area airports and the Medical Center.Even when she was not on top of the world herself, she always gave herself cheerfully to help those patients in need, as she truly understood their needs.Although we did not have occasion to mix socially, we became true friends through this association.She will be greatly missed, but we rejoice in knowing that in God's loving care she will always be remembered lovingly by those whose lives she touched.Pete Peterson

Dear Royce and Terry: It was many years ago when our paths crossed at Salem Village and all our kids were in school together. We have thought of you all over the years, and our now grown kids have reported when they saw you and told us how you were. We were so very sorry to see that you had lost Cynthia. May your sorrow be replaced by beautiful thoughts and memories one day, and may God bless you all at this time.

To all of Cynthia's family: I remember Cynthia as a cute, delightfully spunky little girl more than as the beautiful woman she became. Geographical distance kept us from knowing one another better, but she was a cousin I admired and loved. I send my love to Areta, Barbara, Doris, Jerry and Mike and their families. I know what a void you feel. Royce, I have never met you, but your love and care for Cynthia makes me feel a kinship to you also. May our Lord, who knows our every heartache and pain, bless all of you and give you peace and comfort. Love to all of you, Patsy

Although I was never lucky enough to actually teach with Cynthia, I always enjoyed seeing her at workshops, at church, and of course at Kelley's. She always had a beautiful smile on her face and a kind word to say to everyone. She was so proud of her daughter Lisa and I was fortunate to get to work with Lisa for a short time. Cynthia's loving spirit will be carried on in her treasured daughter. Heaven is surely blessed today to receive such a sweet angel!
