David Anthony Farias

JUL 9, 2012

David Anthony Farias Jr., 31, passed away at his home in Pearland, Tx. on July 9, 2012.

David was best known for his big hearted generosity, but most of all for his great sense of humor, silly antics, and practical jokes on his family and close friends. He was a very proud, ambitious and independent young man who had a wonderful personality. He was very protective of his sisters and was not only their Big Brother but also their Hero. Affectionately known as “Bubba” to his family, he will fondly be remembered for having a sweet tooth. He enjoyed watching movies, playing card and video games, traveling, and working out.

David took great pride in his work and all that he did. He had a successful career in the pipeline industry working with Colonial Pipeline; and then Exxon, first as a contractor and later as an employee. He was very knowledgeable on the computer and with electronics, most of which was self-taught. He will be greatly missed by all that knew and loved him.

David is preceded in death by his grandfathers, Cecil Waters and Raul Farias. He is survived by father, David Farias Sr., mother, Denise Schumann and husband, Dan Schumann; sisters, Danielle and Dawn Farias; grandmothers, Norma Waters and Carmen Farias; nephew, Joshua Corley Jr.; numerous aunts, uncles, cousins, and a host of other family and friends.

A visitation for David will be held on Friday, July 13, 2012 from 6:00 until 8:00 pm at Clayton Funeral Home, 5530 W. Broadway, Pearland, Texas 77581. The funeral service will be held at the funeral home on Saturday, July 14, 2012 at 11:00 am

My darling 2nd family, mere words cannot express the heartache I feel for the loss of our precious boy! Taken too soon from us, he is now seated at the right hand of God, probably cracking jokes & playing tricks on St.Peter :). God needed him up there, so he borrowed him from us, but we WILL be reunited again, & we will "party rock" with our dear sweet Little David once again! We will always miss you Bubba, simply because we will Always Love You! May peace be with you all, Waters/Farias/Shumann families, love always, Auntie Ange

May you find comfort in your loving memories, and in knowing that God is "near to those that are broken at heart; and those who are crushed in spirit he saves." Bubba, You were the best brother anyone could have. Thank you for always being there for me throughout the years. It was truly a blessing to have you in my life. I am going to miss you more than anything in the world. Especially how we always seemed to pick up right where we left off reminiscing about the same memories over and over never seemed to get old. I know we would have kept doing that until the end of time. I love you so much and am not sure how I am going to be without you, I can't wait until we get reunited again. Until then I know you are safe with God, and I know you will always be with me in spirit. I love you so much big brother, you will always be my bubba, no matter how far apart we are. I will honor you always. In every moment of my life I will think of you, and I will find comfort in knowing that you will be right along with me at every milestone in my life. I love you Bubba, I will see you when I get home! xoxo

Bubba, You were one the best persons I met when I moved here to Pearland. We had shared a great love for playing video games and anything tech. I remember the all night halo fests were you showed me no mercy. We didn't see each other much these past years but I did have the pleasure to hang out with you at Jeff's wedding and I definitely enjoyed beating you in the Fantasy Football Championship this past year. You had everything in the world going for you but you were taken too soon from this world. God obviously had better plans for you. You will definitely be missed!!!!

Bubba, we have known you for a long time and your untimely death is hard for all of us to understand. You had so much to live for and so much fun to be around. God must be needing more angels in heaven and you will certainly be able to entertain them all. Miss you and love you. Rick, Ventura, and family.
