My deepest condolence to the family. Uncle VJ was one of the most gracious men I have had the pleasure of knowing. He was loved very much and I consider it an honor to have had him in my life. What a gift it was to have had the blessing to have spent time with him shortly before he departed this world. I can hear him singing his hymns of praise (as he often did in service) and laughing with that Cajun accent. Uncle VJ, you were loved and truly missed. Your Lisa
