I was truly saddened to learn of Patti's passing. She was such a great lady with a kind and loving heart. When Mom was going through her battle, we would often run in to Patti & Steve at Anderson. She was a trooper and such an inspiration and I was always in awe of her bravery. She always had such a good and positive attitude. I know she is in the loving arms of GOD and Heaven had gained another precious angel. She will truly be missed. May He wrap His loving arms around you and guide you through this most sorrowful time of loss. Extending my sincerest condolences to the family & loved ones. Keeping you all close to my heart and in my thoughts and prayers.

May God's peace wrap around each of you during this time of loss. I remember that smile Patti always had on her face. As we got ready for Youth Camp, right outside her office, with about 20+ students, she would step out every once in awhile not to "Shh" use, but to encourage us and give us all that smile. Her kindness was straight from the heart! I am praying for you all. Darlene Woods
