Christine Lloyd & Family Of Pasadena, Texas posted:

I'm certain there are words that are proper and good for these situations, but I am at a loss for words of comfort. He was my friend and a friend to many. I'm so very sorry for your loss and pray you find whatever you need to get through this time. Sparks will be missed and thought of for many years to come. The loss of someone with so much life left is a terrible tragedy and a great loss will be felt by many.
