Karen was always such a sweet little cousin, and very much loved. She always had a smile on her face and was so happy. Don't you know there was a rejoicing in heaven when she passed through those pearly gates to be with her mom, dad & Johnny. We know you will miss her but also know you have wonderful memories to help you through the tough times. Our prayer is that God will bless and comfort each of you in the days to come.

I want you and the boys to know that I loved Karen and never forgot the many acts of kindness she extended to me and my girls during the times we shared as family. I have always and will always consider you all part of my family. May God bless each of you. Love you Joni

Our hearts and prayers are with y'all during this time of sorrow. She will always hold a special place in our hearts and will be truly missed. She was a very special woman and touched many people. Her family was always very special to her and she was her happiest when they were there. While nothing anyone says will help you right now, know that it will get easier. We are all here if y'all need anything. I bet she is already playing dominoes with the rest of our family or arguing with my mom over who was 1st and/or who was right. Her grandchildren, great nieces and great nephews have another Guardian Angel to watch over them. We love y'all and we are deeply sorry. Sharon and Family
