I remember being a little girl and going to the lake and going to your house and you guys coming to ours. You were always laughing and smiling. I remember when you came to visit with Jamie and us just sitting around having such a nice long talk. You are going to be missed. Bev, Lana, Jodie, and Jamie my thoughts and prayers are with you all.

Daddy I can't believe you are gone. I have lost the person that was always there for me no matter what. You will always be in my heart. You are part of me, the biggest part of love is from you. I am so lucky to have you as my Daddy, my best friend and guidance. There is just no words for how much of a loss this is to us. I love you so much!

My deepest sympathies to Danny's family. I'm Danny's cousin and I was 4 years old and staying with the Blairs when they brought baby Danny home. We were the best of friends as children and spent every holiday and family celebration together for many years. I'll never forget the good times we had together.
