I know this is a very sad time for all of you. Though I only met Lester once, it was apparent that he was a very special person. I loved the poem printed on the funeral program, and it seemed so like the Lester I've heard so much about over the years. May your family be both blessed and comforted by your memories of Lester and his unbreakable spirit! Love, Andra

Sharon, Guy, & family: I am so very sorry for your loss. You have been in our thoughts and prayers and will continue to be as you go through this season in your life. My path crossed very briefly with Lester, but I knew he was a dear person just by speaking with him. It was such a joy to see him react in anticipation of his granddaughter, Sadie Shannon. He will be dearly missed, yet his legacy will go on. May God richly bless you! Sincerely, Dana Moody & Family
