You and Dora are so lucky to have had the kind of love you had. When I think of y'all I think of us. We can only pray we have the love and commitment you and Dora had. We have lots of wonderful memories of you and we will miss you dearly. I promise to be here for Dora and help her get through the tears and do everything in my ability to put a smile back on her face. You will forever be loved and forever remembered. I'm sure you're in Heaven raising hell! We miss you Uncle David
