Adam Sandoval

NOV 15, 2009

Adam Sandoval, age 4 months, became one of God's angels on November 14, 2009. He is survived by his father, Vincent Sandoval; mother, Aubrey Leach; brother, Dylan Leach; grandparents, Jerry & June Stewart; great-grandparents, Clyde & Janiece Stewart; Aunt B, and Uncle; and a host of many other family & friends.

Adam was a happy, healthy, beautiful baby boy. He loved his baths and his little swing and especially meal time. Aubrey made the courageous decision at a difficult time to give the gift of life to other families and donated Adam's organs so that others could live. During Adam's short life, he touched many hearts and changed his family's lives forever.

Aubrey, you gave your baby the greatest gift and that is you were the best mama to Adam. The love you had for him shows in your messages. Yes you're right, Adam, Dylan and Brendon are playing together. My boys loved babies and I can hear them giggling, singing and they are so happy.

Adam, we loved you from the minute we saw you and more each day we had you in our lives. You will be in our hearts forever. God is the only one that knows why you were taken from us and we try not to question him, but our hearts are sad and our lives are changed forever. Your love meant a lot to us. Having you and Aubrey near us was a good thing I will always believe that. Forever in our hearts, your Nana and Papa
