Like most people will say, words can't express how much Bill will be missed. Thank you for making me feel like family from day 1; you made putting up with the Spains much more enjoyable than it could have been. :) We love you, man; hope to see you again in the next life.

Cinda, Lonnie and Nicol. I feel your sorrow and I wish I could say something to make it better, but everyone finds peace in their own way and time. If you need anything or just want to talk I'm here.

Bill was my older brother as well as a best friend. He was the best man at my wedding and was always there to lend a hand if needed. Bill was the most gentle and considerate person I knew. He was a great husband and father who loved his family as well as his time with them. Bill was one-of-a-kind and can not be replace. I will miss Bill, as will anyone that knew him. Check you later, Bill. Hope to meet up with you again, somewhere down the road.
