Vickie, Glad I got to personally talk with you this morning. Oh if only we had a whole day to talk just on Good Ole Kamay-Valley View memories alone, I am sure we would feel Donnie laughing with us. I give you my word it want stop hurting but it does get easier, and that is from 15 years of been there done that. Just keep the good times and all your love for Donnie in your heart and you will make it. Donnie was such a good man and he will be missed by lots down this way, but never forgotten. I thank God for letting me have the good times I had with him even before you was in the picture... Tell your kids they had a good dad and just to trust in God and he will see them and you through this sad time and each day will bring a little more sunshine. Love ya guys!
