I'm sorry I just found this and Kenny left us 8 years ago... we were stationed at Camp David together and lived across the street from each other at Fort Ritchie, MD... Kenny was a great and giving guy. I'm sorry he is gone so soon...

Sept. 26th, 2010: I just found out that Kenneth has passed away. My family and I are long time friends. Kenneth and I were best of friends in elementary and junior high school. While he was in the service, we occasionally had time to do some catch up. It was always a joy to hear from Kenneth. I offer the family my greatest sympathy and will remember the family in my prayers. Blessings to all,
