Words cannot begin to express the sorrow I feel regarding the sudden loss of Priscilla "Pris" She was my friend and I loved her. She was ALWAYS kind to me and extremely warm and friendly. (I will miss our summers by the pool and the many laughs) God blessed me with 12 years of friendship and I am a better person for having known her. Priscilla shined a light, she loved people, animals, her family, her sisters and especially her sons. To the Shannon family, I am profoundly sorry and I hold you steadfast in my thoughts and prayers. I thank you all for allowing me the privilege of being a part of your lives. To Nick and PJ., always know and hold in your hearts the knowledge that your mother loved you VERY much and will now be watching over you from above. May God continue to give each of you the grace and strength to get through this difficult time. Pris, I love you and I will miss you. Heaven just took in a really really good soul....

Shannon family, Our deepest and most heart-felt sympathies on the loss of Priscilla. At work, Caroline spoke of her, as she did all of her sisters, constantly and with genuine sibling love. Caroline made me feel like I knew Priscilla myself; she was truly a person with her heart in the right place. As sad as her loss is, I hope you take some solace in knowing that God has bigger plans for Priscilla. L, D, R and S
