## **Thomas Lee Toney**

MAR 1, 2009

**T**homas Lee Toney, age 58 of Pearland, passed away unexpectedly at a motorcycle rally in Daytona Beach, Florida on March 1, 2009. He is survived by his wife of twenty years, Robin; son, Brandon; daughter, Jennifer; sisters, Mary McBurney & her husband Mike and Nancy Jacobs & her husband Butch; grandchildren, Eva, Madeline, Addison, Tyler, and Austin; and a host of many other family & friends.

Tom was born on September 21, 1950 in Logan, West Virginia. He grew up in the Houston area and retired from Oxychem in 2002. He became a local business owner where he enjoyed spending time with his customers. Tom was a motorcycle enthusiast and would travel all around the country with his friends. His home life, wife, kids and grandkids provided him with a threshold of stability. They meant everything to him. He was affectionately known to his grandkids as "Paw Paw". Tom also enjoyed Nascar racing and was an avid Astros fan.

Tom will be remembered by many as a free spirit with a heart of gold to those in need and his great sense of humor. He may have lived life on the edge at times, but knew when to come back before he stepped off.

Visitation for Thomas will be on Friday, March 6, 2009, from 6:00 pm to 8:00 pm at Clayton Funeral Home. A graveside service will be at SouthPark Cemetery on Saturday, March 7, 2009 at 11:00 am. For those wishing to ride in the Funeral Procession, please arrive at Clayton Funeral Home by 10:30 am on Saturday morning. Pastor Keith Anderson of the New Harvest Christian Fellowship will be officiating.

In the late 50's and early 60's, tom was my very best friend. We used to play ball together, spend the night together, shoot pellet guns, roller skate, ride Cushman scooters, fly gas powered model airplanes. His dad was our baseball coach one year too. Last time I saw him was in old Meadowbrook and he was driving a primer colored Mustang car. His first Ford I believe... Later I bumped into him working at Diamond Shamrock.I was doing phone work there and he mentioned to me about phone guys hiding out in the phone room there. True for sure! Tom was working on heavy machinery then, and later I heard he made foreman. I left him notice one day that I had a baby son. That would have been 1976. I left him my number, but he never called. I never saw him again. I still thought about him thru the years though. His mom used to work at Weiner's and we would go with his dad and pick her up sometimes. His dad had a brand new 1960 Ford. Only man I ever knew named Shirley. Wish I had seen him in later years. We had lots in common, including Harleys... I guess now I can quit looking and asking around for him. Hope he is resting peacefully. If Nancy and Mary are still in your life, give them my best...

Dearest Robin and Family,I know that this is something that you will never get over. It makes it even harder when you lose a loved one so close to the holidays (or to your birthday, Robin – I am very sorry about this). I hope that you can find some comfort in knowing that Tom will be eternally happy with the Lord and will be celebrating your birthdays and holidays right beside you. He will ALWAYS be with you in spirit; just as you will ALWAYS carry him in your heart. If you need me, just call. Much Love, Jamie
