Dear all the Valores, wow it has been a long time since any of us have talked. I am so sorry to hear about your loss. I know just how it feels; it has only been 2 years since I lost my dad, still can find it hard to believe he is gone. I know nothing makes it any easier except the pass of time. You are probably wondering who this is from, well it goes back to Antoinette Drive in Mentor, a very long time ago, the Brownings. This is from Debbie, and I also want to send my mom deepest regrets, especially to Jan, my mom knows oh to well what a struggle she will have with all this. Well I sure hope this gets to all of you, and I would sure love to hear back from someone, especially you Dee Dee. Take care all, it truly gets better.//SIGNED// Deb Neal(Browning), NF-II, Club Ops. I send my deepest sympathies to the family. I am a friend of Vickie and Gary from church. They are my extended family. I did not personally know Pat, but I have heard all about him from Vickie. He will be greatly missed. You will all be in my prayers. Always remember...Life is full of hikes to the mountain tops and rolling hills to valleys, but through out our entire journey GOD is with us. God Bless.
