I only found out yesterday, 5th February, of Michael's death. We hadn't known each other very long. We were neighbors in Baytown, and I hadn't seen him since I moved at the end of September 2008. I was shocked and saddened to learn of his untimely passing. My sincerest sympathies to his family and loved ones. Rest in peace my friend.

Knowing that I would remember Michael forever when I met him for the very first time, makes him stand out as an exceptional person in my mind. I can only hope to make the same type of lasting impression on the people in my own life. We are all lucky to have know him even if only for a short time, like myself. Michael, rest in peace.
