John was a wonderful man. I had the pleasure of working with him for several years. He was always one you could count on to do his best in everything. I remember his joy of singing. It was always an inspiration to see him these past few years. Despite his illness, he was always upbeat and was always a pleasure to talk with. My thought and prayers are with his family. May God bless you as you mourn John's passing. Just know that he is in the arm's of the Lord.

Edna, Amy and family, We send our love and prayers to you in the passing of John. We know that the Lord will lift you up and strengthen you as no one else can. We remember fondly the many times we worshipped together at BBC and the times that he would sing. Be comforted by knowing that he is in heaven, free from the challenges of this world. God Bless You All!
