Patricia Mary Hatridge

JUL 5, 1950 - NOV 8, 2025

Patricia Mary Hatridge passed away on Saturday, November 8th, 2025, at the age of 75. She is preceded in death by her parents, Myron Peterson and Elaine Bjostad. Left to cherish Patricia's memory are her son, Eric Seale; brother, Myron Peterson Jr; sisters, Kathryn Smith and Mary Peterson; along with a host of many other family and friends.

Patricia was a generous and loving mother, daughter, aunt, and friend who was truly the matriarch of her family. If something needed to be done, she would find a way to get it done. Patricia loved gardening, and spending time at the beach. She will be greatly missed by all who knew and loved her.

A Celebration of Patricia's life will be held at Clayton Funeral Home of Pearland on Tuesday, November 18th, 2025, beginning at 2:00 pm.

I met Patty at WPI in the '70's. I was in high school and she was a "key punch operator". That goes to show what IT was back in the day. She was smart and worked her way up. She was a great teacher as she taught us the "new" systems as the years went by. She was a very encouraging person. I could go to her with anything and she was patient. I loved her unique laugh, which she used often. Blessings to her entire family. I am thinking of Melvin too.

You will be forever in my heart because I will always remember you as the life of the party as well as Jeffrey's favorite aunt. There was always laughter wherever you were. You made me feel so welcome joining the Seale family, the first Christmas Bill and I were married when you came over bringing me my "lifetime" supply of baby seal Christmas wrapping paper. You told me you had gone to every Target store in Houston and bought every roll of the seal Christmas paper they had for us to share. I had no doubt that you did as I was still wrapping presents with it when Jeffrey was in high school. It was a sad Christmas that year when there was no baby seal wrapping paper under the tree. Then once again, you were true to yourself when we brought Elliot to the beach house two years ago and you "thanked us" for bringing the entertainment!! You will be missed my sweet friend. I am so happy that we were able to spend your last Christmas together with Eric and us. Ginger Seale

Even though I hadn't seen Aunt Patty in a while, her presence never faded from my heart. She was one of the most welcoming, warm-spirited ladies I've ever known — the kind of person who made you feel at home the moment you walked through her door. Aunt Patty was my mom's best friend, but she loved us like family, and that love stays with me. Her kindness, her laughter, and the way she could brighten a room will always be a cherished memory. She will be deeply missed, but never forgotten.
